The rabbit – redefined. With 3 motors that can work independently or simultaneously, the soft and perfectly contoured Fifi offers simultaneous G-spot and clitoral stimulation – for the ultimate in sensory indulgence.

## Deeper richer sensations

Fifi's motor is designed to a low frequency to give our signature Je Joue oh-so-low rumbling vibrations. With 5 speeds and 7 patterns, Fifi offers a wide range of vibrations – from a gentle purr to a deep rumble.

## Creative Tips

Fifi is perfect for simultaneous clitoral stimulation and deeper exploration, taking you from gentle arousal to an enhanced climax. Try gently using on your clitoris with Fifi's ears (Fifi's shaft looking down), before exploring further. Fifi's ears hug your clitoris and stimulate the 8000 nerves ending. You can move the ears to explore direct or indirect clitoral stimulation, or rotate the toy from side to side to enjoy vibration from the ears across the entire labial area. Also you can use Fifi's bulbous end to stimulate your G-spot and reach deeper vaginal pleasure points.

## How it works

### Discreet, comfortable and safe

- To start the toy, hold + for 2 seconds to turn Fifi on
- To increase vibration, click +
- To change from a constant vibration to a pulse vibration, click the ~ (middle button). To decrease vibration click -
- To turn Fifi off, hold - for 2 seconds

## How it charges

### Quick and easy

To charge your Fifi, please place the charger directly over the Fifi's buttons and you'll feel the magnets pull it into place (Fifi charges through its buttons). When charging, the light will flash. When fully charged the light will stay on, until the charger is removed from the buttons. 2 hours of charge gives you 2 hours of play.
