Deeper richer sensations

Mimi is designed with a motor set to a low frequency to give our signature Je Joue oh-so-low rumbling vibrations. With 5 speeds and 7 patterns, Mimi offers a wide range of vibrations – from a gentle purr to a deep rumble.

Creative Tips

Mimi feels great on the clitoris, and any other area that tickles your fancy, from your nipples to your perineum and anywhere in-between. Smooth and soft, Mimi glides across the skin, making it perfect for a body-massage with a difference. For a lighter touch, you can also try transferring Mimi's vibrations through your fingertips, by cradling it in your hand and stroking the skin with your fingers. Use the tip to provide pin-point stimulation to the clitoris. Use the side to stimulate the labia and the clitoris at the same time. Use the flat side of Mimi to provide a wider stimulation of the whole genital area.
