## Deeper richer sensations

Uma's motor is designed to a low frequency to give our signature Je Joue oh-so-low rumbling vibrations. With 5 speeds and 7 patterns, Uma offers a wide range of vibrations – from a gentle purr to a deep rumble.

## Creative Tips

Uma's sleek shape allows for a great introduction to your body's natural curves, whether externally or internally. Thanks to its length and bulbuous shape you can easily stimulate your G-spot and reach deeper vaginal pleasure points. Uma is also great used as a clitoral vibrator during sex. Use the tip to tease, fit the toy against your labial area, or turn its curvaceous form to create wonderfully different sensations. You can even take Uma for a tour all over your, or your partner's body.
