Sensual orgasms at the touch of a button, this G-spot and clitoral vibrator can be adapted to fit your body shape - with the option for partner-controlled play using a discreet pen or with the Je Joue app.

## Deeper richer sensations

Dua's motor is designed to a low frequency to give our signature Je Joue oh-so-low rumbling vibrations. With 5 speeds and 7 patterns, Dua offers a wide range of vibrations - from a gentle purr to a deep rumble.

## Creative Tips

Play together, tease and take (or lose) control! Dua is perfect for foreplay at home - or somewhere else for the more adventurous. Dua's flexible design makes this toy very comfortable to wear anywhere! Thanks to two independent motors Dua allows you to choose from a simultaneous or separate stimulation of your G-spot and clitoris to enrich your pleasure experiences. Our discreet app is beautiful and easy to use, it allows you to create a playlist to send to your partner for staying connected wherever you are. Dua gives you the option to save your sessions. you can then select from the saved sessions and use your toy hands free. Dua's rounded end can also act as an effective Kegel exerciser that improves the PC muscle fitness while providing pleasurable sensations. Your PC muscle will naturally squeeze around Dua and help strengthen your pelvic floor.

## How it works

### Discreet, comfortable and safe

Using the pen

1. Press the button on the metal base of the toy for 3 seconds until the red light turns on
2. Hold down the top of the pen until you'll see a blue light flashing on the pen.
3. After a short pause, your toy starts to vibrate and is now synched with the pen!
4. Twisting the pen lid changes the speed
5. Pushing the pen lid changes the vibration pattern
6. To turn off the toy press down the pen lid for 3 seconds

Using the Je Joue App: Download the Je Joue app (free and available for Iphones and Android)

1. Press the button on the metal base of the toy for 3 seconds until the red light turns on
2. Open the Je Joue app on your phone and select 'Play now' - your toy starts to vibrate and is now synched with the pen!
3. Select a vibration pattern
4. To increase the speed swipe vertically
5. To change the vibration pattern swipe horizontally
6. To stop press pause and pause again on the following screen

## How it charges

### Quick and easy

To charge Dua, place the charging dock directly over Dua's ON button. You will feel its magnetic core pull it into place. When charging, a light will flash. When fully charged, the light will remain steady on until the charger is removed.

## How to clean

We recommend using only water-based lubricants with Dua. We recommend washing Dua in warm water and soap or a toy cleaner.
